

Comfort Flow™ & Comfort Scrape™ Mats

Anti-Fatigue / Wet or Dry / Indoor-Outdoor

Comfort Flow and Comfort Scrape mats are constructed with high-density closed-cell nitrile rubber foam cushion to provide excellent anti-fatigue properties. These mats are recommended for kitchen and industrial applications. Comfort Flow mats feature drainage holes that allow liquids to flow through.

- **Grease/oil and chemical-resistant**
- **Odor resistant** - anti-microbial treated for lifetime protection against odors and degradation
- **Welding safe**
- **Safe** - beveled edges provide a safe transition from mat to floor; certified slip-resistant by the National Floor Safety Institute
- **Commercially launderable**
- **Lightweight and flexible** for easy handling and cleaning
