

Cushion Station™ Mat

Anti-Fatigue / Indoor

Cushion Station (with holes)

Cushion Station (without holes)

The Cushion Station mat is constructed with durable high-density closed-cell nitrile foam rubber, giving it superior anti-fatigue qualities. Cushion Station mats are available with or without holes for use in wet or dry environments.

- **Grease/oil and chemical-resistant**
- **Odor resistant** - anti-microbial treated for lifetime protection against odors and degradation
- **Welding safe**
- **Safe** - beveled edges provide a safe transition from mat to floor; certified slip-resistant by the National Floor Safety Institute
- **Commercially launderable and can be autoclave sterilized**
- **Lightweight and flexible** for easy handling and cleaning

Cushion Station™

Anti-Fatigue / Indoor
