

FLOOR PROTECTION/INDOOR

FLOOR SAFE TILES

- Simple and safe system to protect your valuable flooring surfaces in multi-use applications
- 1 x 1 meter tiles are easy and safe for one person to install
- Simply lay tiles next to each other and build out the area that is being protected for a quick installation
- Mass of the tile installation holds everything in place
- Chairs, tables and other items can be placed on top of the installed tiles
- Carts can be pushed across the tiles
- Storage cart is 40" x 40" and holds up to 80 tiles
- Tiles can be stacked on the cart for easy storage
- Low pile polypropylene carpet with bitumen backing is durable and stain resistant
- Medium grey color looks great and matches most decors
