Legacy Inlay mats feature your logo inlaid with razor-sharp precision in a Legacy mat. During the precise inlay process, the area that will display your logo is cut from the mat and appropriate colors are inlaid in the cut-out, much like a jigsaw puzzle.

- **Clean & Dry** – Bi-level surface effectively scrapes dirt and moisture from shoes, trapping it beneath shoe level to prevent tracking; water dam border holds moisture keeping it off your floors (Legacy mats can hold up to 1 ½ gallons of water per square yard)
- **Durable & Fade Resistant** – Reinforced rubber nubs prevent pile from crushing and extend the performance life of the mat; solution-dyed polypropylene fabric is fade-resistant
- **Safe** – Beveled edges provide a safe transition from floor to mat
- 19 fabric colors to choose from
- Available with choice of Classic (rubber) border or Fashion (fabric) border
- Features 78-mil SBR rubber with choice of smooth or cleated backing
