

The SuperScrape Sign mat features molded tread surface cleats that effectively scrape tough dirt and grime from shoes. It's perfect for use as a slip-resistant mat in wet areas or anywhere a message mat is needed.

Sign images are produced by molding a digitally printed polymeric material onto a durable nitrile rubber mat.

- **Superior dirt control** - surface cleats effectively remove and keep dirt and sand beneath shoe level so it cannot enter your building
- **Grease/oil resistant**
- **Commercially launderable**
