

Wet Step® Mats

Wet Environments / Indoor-Outdoor

The Wet Step mat is constructed with durable closed-cell nitrile rubber cushion, giving it excellent slip resistance and anti-fatigue properties. Drainage holes allow water to freely drain away. The Wet Step mat is recommended for use in locker rooms, showers, spas, around pools and hot tubs, and in operating rooms and medical scrub areas.

- **Comfortable** - provides anti-fatigue benefits for bare feet
- **Odor resistant** - anti-microbial treatment provides lifetime protection against odors and degradation
- **Safe** - certified slip-resistant by the National Floor Safety Institute
- **Commercially launderable** and can be autoclave sterilized
